

## COVID-19 UPDATE

Our priority at this time remains the Health, Safety and well-being of our colleagues, customers & communities. Following clarity from the Government on the role of the supply chain to the construction sector, we have taken the decision to remain open and maintain operations.

XL Joinery will continue the supply of goods and services in order to continue providing support for essential repair and maintenance activity.

All aspects of our continued operations will be strictly in line with the Government's guidance on social distancing and safe working practices.

**Therefore, until further notice, the following services will be running as stated below**

**Branch Deliveries – 3-5 days wherever possible. Some areas may see extended times.**

**Home Delivery 3-5 days – as normal**

**Next Day Delivery – Withdrawn until further notice**

**Customer Collections – As normal under strict social distancing**

We recognise that circumstances, information and decisions are changing daily and as such we will continue to monitor the status of both the Government and the Construction sector and will update this statement as required.

Many thanks in advance for your continued support and cooperation and please stay safe.
