

XL Joinery Ltd

(T/A GPEUK Ltd)

Environmental Policy Statement

XL Joinery Ltd is a leading supplier of interior and exterior doors and ancillary joinery products in the UK, with one of the largest stockholdings in the country. To ensure that there are no unmitigated environmental impacts associated with the business operations, XL Joinery has developed an Environmental Management System based on BS EN ISO 14001:2015.

XL Joinery Ltd is wholly committed to:

- Minimise waste by evaluating operations and ensuring they are as efficient as possible.
- Minimise emissions through the reduction of energy usage where possible.
- Actively promote recycling in areas where XL Joinery has a direct influence.
- Meet or exceed all the environmental legislation and other requirements that relate to XL Joinery Ltd.

As a key element of business operations, XL Joinery Ltd is wholly committed to purchasing all timber from legal sources and requires evidence of compliance from suppliers that they are operating legally.

XL Joinery is fully committed to ensuring our implemented Chain of Custody procedures are maintained, ensuring that our products are obtained from legal and sustainable forest sources. XL Joinery works closely with suppliers to encourage greater use of certified timber and timber products.

Top Management at XL Joinery are committed to continual review and improvement of this Environmental Policy. Where deemed necessary, this policy will be amended and re-issued.
