White Grey Salerno with Matt Black Livenza handle.

Feel great.

A next-generation 3D texture makes our laminates feel like real wood grain. The luxurious look coupled with a realistic feel, radiates splendour and premium quality.

White Grey Forli with Matt Black Livenza handle.

Stay great.

Resistant to scratching, resistant to stains and resistant to the wear of UV light. Highly durable, our laminates will withstand the stresses of everyday life. Suited to contemporary living, they are easy to clean without the risk of damage.

Our Mode door colours.

Our grey hues will help exude effortless elegance across minimalist and modern interiors. Choose from dark Umber Grey or a brilliant White Grey depending on your preferred ambience.

UMBER GREY

Create an alluring aura with Umber Grey. Charcoal in colour, with warm tones running throughout and complimentary matt inlays, Umber Grey has a distinct identity. A consistent and natural dark grey wood look, offering a striking feature for any interior. Perfectly pair with dark panelling or charmingly contrast with clean white frames.

 To treat the Umber Grey door edges after trimming, use **RAL 7022** to colour match the decorative grooves.

WHITE GREY

Celebrate your dream home with White Grey. A deluxe grey tone that will elevate your property to understated luxury. Lighter matt toned inlays act as a delicate feature, offering effortless sophistication and cool elegance. Couple with complementing frames and architrave, hand finished and stained by our in house colour team.

 To treat the White Grey door edges after trimming, use **RAL 7030** to colour match the decorative grooves.

Our Mode door styles.

Affordable luxury, we have curated our pre-finished wood effect laminates in Forli, Ravenna, Palermo and Salerno door designs. Glass and fire door versions are available across the ranges. Whatever door solution you may require, our laminates are available across a wide range of systems. Are doors are suitable for:

-  Doorsets
-  Pocket doors
-  Room dividers
-  Wardrobe system

Installation.

Our laminates arrive ready to hang. Three hinges should be used to hang all doors to prevent warping or bowing. Latches and locks should not be fitted adjacent to door mid-rails where the joint may be compromised. All hardware screw holes should be pre-drilled to prevent splitting of the timber.

Door Type	Door Style	Trimming allowance from each edge	Maximum trimming allowance overall
Panelled	Salerno, Forli, Palermo, Ravenna	6mm	12mm
Glazed	Salerno, Forli, Palermo, Ravenna	6mm	12mm
Fire Door	Salerno, Forli, Palermo	5mm	10mm

Finishing.

Our laminates will arrive almost ready to hang but any bare timber areas caused by trimming and hardware fitting, need to be adequately treated before the final fitting of the door.

Any unfinished areas will require a light sanding prior to finishing using a fine grade sandpaper, (grit number 240 or 320).

Maintenance.

To keep your doors looking clean and fresh, simply wipe down the face of the door with a damp cloth.

Forli.

Feel at home with the Forli, a door that conforms to modern living. With clean vertical lines, effortlessly contrasting the laminate wood effect grain, this door will run seamlessly throughout any contemporary home. Matching glazed doors and fire doors are available to ensure a consistent look, regardless of the door application.
